

## **Donated Cell Phones for Victims of Domestic Violence**

The Peculiar Police Department has a cell phone collection program which provides gently-used cell phones to victims of domestic violence.

Individuals may drop off their used and unwanted cell phones (plus chargers/batteries, if you have them) at the police department any time.

The donated cell phones are programmed for 911 calls only and will be provided to victims of domestic violence. These phones may be a valuable tool to those victims who do not have access to a telephone, either a landline or cellular, by connecting him/her to emergency services when needed.
